8th International Haydn Competition for Classical Lied and Aria

May 22 – 24, 2026, Rohrau (Lower Austria)

In May 2026 Haydnregion Niederösterreich invites young artists to join the International Haydn Competition for Classical Lied and Aria for the eighth time already.

The competition is aimed at young singers worldwide with particular talents and training in the areas of Lied and Opera and focuses on the era of Wiener Klassik (Vienna Classical era). The announcement of the competition will be published worldwide at music academies and conservatories.

For three days, the state of Lower Austria is turning the focus on Haydn's house of birth as well as Rohrau Castle with the International Haydn Competition for Classical Lied and Aria as a significant pillar of the activities of the Haydnregion Lower Austria. The promising young talents of today – tomorrow's opera and

Lied singers – will converge on the birthplace of Joseph and Michael Haydn and will present themselves to an expert jury at this internationally unique competition with the focus on the repertoire of the Wiener Klassik. I wish all participants the best of luck. May the best ones win!
